Qanstar Development Limited

Qanstar is an international brand dedicated to the design and manufacture of electronic products, including desktop MP3 players, digital photo frames and Wi-Fi Internet radio products. All items benefit from the perfect combination of the latest electronic innovation from Korea's technologists with cutting-edge European design. The result is high-quality goods with remarkable performance which seamlessly blend into consumers' daily lives and which have become popular all over the US, Europe and Asia.
