Sura Limited

Sura Limited aims to bring more fun to people's lives through creative designs and quality products. The company has created four product brands: SURA, John & Mary, h2 and JoJoJu. SURA is aimed at consumers who pursue a fine quality of life without compromising in style, taste and quality; its items are distinguished by an elegant motif, with minimal yet striking designs. The John & Mary brand is dedicated to young men and women conscious of their lifestyle who think for themselves and have a clear attitude to life, as portrayed by the brand's audacious and vibrant designs. h2 stands for health & happiness and features eight characters with distinct emotional qualities. And all products in the JoJoJu range centre around the adorable little piggy for whom the brand is named.
